Lost & Found Chain-of-Custody Form

For Caribbean hospitality operations teams

Track an item from discovery through secure storage, transfer and final release or disposal.

How to use this resource

1 Localise it

Set the roles, escalation points and reporting rules that apply to your property and jurisdiction.

2 Record facts

Capture what was observed or reported. Keep assumptions separate from factual observations.

3 Make exceptions visible

A missed check, unsafe condition or unresolved issue should stand out from normal activity.

4 Assign the next action

Use a real role, due point and escalation route rather than leaving follow-up implied.

5 Review and close

Carry open matters into handover or management review and verify closure where the risk warrants it.

IMPORTANT

This resource is operational good-practice guidance. Confirm local law, regulator reporting, privacy, insurer, security and corporate requirements before use.
